

Schwarzkopf Elementary PTA 2023-2024

Who are we? Schwarzkopf Elementary is a kindergarten through fifth grade school located in northwestern Hillsborough County. Our school has approximately 650 students. Since established in 1993, the school has earned an "A" rating by the state and has been awarded the Five Star designation for volunteerism.

Why do we need your support? Business Partners are key to the educational growth of our school. By developing mutual support and understanding between education, business and community, our school will grow academically and your business can grow financially in the community.

What can business partners do for our school? Be a mentor to a child, sponsor a family in need, be a member of our School Advisory Council (SAC), Donate resource materials, donate school supplies and/or equipment, or provide financial support through grants, programs, merit-based scholarships or a monetary donation.

What does all of this mean to you?

- An opportunity to grow your market demographics
- Recognition in the community as supporting community schools
- May qualify for a tax deduction (check with your CPA)
