SCHWARZKOPF ELEMENTARY PTA

A word from our Bear Run Committee Chairs:

Bear Run 2021 was a HUGE success!
Jeff Grim and Kyle Pirkle

On behalf of the entire Bear Run Committee and Schwarzkopf PTA, we would like to thank all of our Bear Families (and friends) for making the Bear Run 2021 an outstanding event. It was so wonderful to have been given the opportunity to bring this event back to campus this year. I can't even begin to tell you how excited the teachers and students were to participate. Thank you to Ms. Holley and the rest of the Faculty and Staff of our school (especially Ms. Migdalia and Mr. Alain) for all they did to make sure this year's Bear Run was such a success!

All together we raised a staggering \$52,870.65 – a new, all-time record for this event. We had an AMAZING level of participation, with over 380 students (60% of our school!) receiving a Bear Run 2021 tag by registering online for the fundraiser, and 18 Bear Run sponsors who adopted 13 different classrooms. Students raised an average of \$152.36 each, with 1,322 individual donations received from 42 states, Puerto Rico, and even as far away as Australia!

We have been getting lots of inquiries in regards to how the money will be spent, especially given how far we exceeded our initial goal. Here is a full accounting, in the effort of full transparency. When the digital marquee was identified as the goal during the General PTA meeting in Spring 2021, the PTA agreed to rollover \$24,000 of last year's budget toward this project. Based on our most recent estimate immediately prior to the Bear Run, the estimated cost of this project was \$50,000, which helped us set our fundraising goal of \$20,000 for this year's event. The current estimated cost of the new digital marquee has now risen to approximately \$60,000 given increasing construction costs since setting our fund-raising goal. The additional funds that were raised will be used to offsetting this change in construction cost, and any remaining funds will be used to support a variety of projects in our school, including replacement of old technology and various PTA-hosted events during the year.

Thank you again Bear Families for a terrific Bear Run 2021, and we've already begun looking ahead to Bear Run 2022.
