

Dear Schwarzkopf Families,

Each year students across the US in Pre-K through 12th grade have the opportunity to participate in the National PTA's **Reflections Arts Program**. It was developed in 1969 and has since inspired millions to create original works of art.

This year holds endless opportunities with a theme of **"Show Your Voice!"** Students should reflect on this theme when entering one or more of the following categories: *Dance Choreography, Film Production, Literature, Music Composition, Photography, and Visual Arts* (see entry form for more details). There is also a special artist division for students with disabilities.

The winners from Schwarzkopf will compete against students from other Hillsborough County schools. Those winners will move on to a state competition, and then finally top state entries will advance to nationals. **Every Schwarzkopf participant, regardless of whether they advance, will be recognized at a PTA event!**

We hope you will encourage your child to participate. This is a great opportunity for them to be creative and feel acknowledged for their work.

We can't wait to see all the creativity from our Schwarzkopf Bears! Entry forms will be sent home in your students take home folders and extras will be located in the front office. **All submissions should be turned into Ms. Robbins in room 109 prior to the October 26th, 2022 deadline.** Please help your child get started on an entry today.

Sincerely,

Erin Robbins, Schwarzkopf Reflections Chair
