Hello Schwarzkopf Families! First and foremost, I want to say “THANK YOU!” It is because of all your support we were able to not only reach our Fitathon goal but surpass it at \$13,335!

So, what's next? Funds raised from the Fitathon will be allocated towards essential needs for our classrooms and any leftover funds will be distributed to other target areas and activities for our school. With the holidays just around the corner, we have many fun and exciting events coming up so stay tuned and make sure to follow us on social media for important updates and events!!

Once again, we are so grateful for all your support! The PTA will continue to adapt to all the changes, keep our community engaged, and work even harder to keep our Bear family safe. It takes a village and we are so proud to be apart of this one!

Call to Action...We need your pictures!

Hello Bear Families! My name is Karen Spangler and I am the new yearbook advisor for our 20-21 school year!

My goal is to curate a yearbook that captures the heart of everyday life for **all** of our students. A record of the creative ways we have adapted to push through and find ways to have fun and make memories in spite of the "together-apart" challenges that we are facing. Your pictures don't have to show perfect color-coded school stations and smiling faces... let's capture everything from the mundane to the extraordinary! Someday those pictures will be treasured proof of these strange times.

For Virtual Learners:

- Is your kiddo just as happy on the floor as in the desk you so lovingly set up? **Get the shot.**
- Does little sister or brother snuggle up or pretend they are at school too? **That's a great thing to document!**
- Does "going to school" mean heading down the stairs with your backpack? **Take a picture.**
- There are still good things to remember about virtual learning...Like when your child participates in show & tell or shows off work to their teacher onscreen. **Take pictures of the fun stuff!!!**

Ideas that work for both in-person and virtual learners:

- Did you forget to take a first day of school pic? Hey, that's ok. You aren't the only one! We all need a little grace this year. It's okay to have a first day of school picture redo or even take a picture of the 84th day of school with that cute custom sign.
- Did amazing work or a great mistake that turned into a win come home in your child's Wednesday Folder? **That's worth capturing!**
- Did a growth mindset help them overcome an obstacle or learn a new skill? **This is a moment to remember!**
- Did they finish a book that they absolutely loved? **Hold that book up high and snap a picture.**
- For Citizen of the Month...Do you want a family photo in front of that awesome Citizen of the Month Yard Sign? E-mail me at thespanglerfamily813@gmail.com and we can set up a time for a mini-photo shoot. **Let's make it happen!** If your child was already selected for Citizen of the Month, don't despair, we can still set this up.
- Are your kids finding creative, socially distant ways to hang with their schoolmates in your neighborhood? Face-timing while they play Roblox? Even though these aren't pictures of in-school life, **we can still document how we still come together as a school community.**

While online learning or socially distanced classrooms are not how we pictured that precious first year of Kindergarten or the fond farewell we wanted for our Fifth graders this year, your children are still worth documenting. Don't forget, kids also get great joy from seeing their faces as they go through their yearbook at the end of the year. **We can't achieve that without your pictures this year!**

If you wish to submit pictures for the yearbook, please upload them here: <https://images.schoolannualonline.com/415973936> or you can email them to: memoriespta@gmail.com.

Memory Book

Please continue to send in pictures to memoriespta@gmail.com or upload to: <https://images.schoolannualonline.com/415973936> for our Memory Book.

Veteran's Day Celebration at our school!

Our school was named after a great leader, Army General Norman Schwarzkopf. Each year on November 11, we honor him and all our veterans for their selfless contributions to the Armed Services and our nation. "You should never forget that the airplanes don't fly, the tanks don't run, the ships don't sail, the missiles don't fire unless the sons and daughters of America make them do it."
– General Schwarzkopf
